

THERE ARE 3 KINDS OF  
PEOPLE IN THIS WORLD:

THOSE WHO ARE GOOD AT MATH,  
AND THOSE WHO AREN'T.

I AM!

Are you

**GREAT at Math?**  
**Talk is Cheap!**

**PROVE IT!**

- Come to practices on **Thursdays from 2:30-4:00.**
- Like buzzer competition? **Stay till 4:30!**
- **Room 2506—Mr. Beaty's computer lab**

WHAT PART OF

$$\pi = 4 \sum_{k=0}^{\infty} \frac{(-1)^k}{2k+1}$$

DON'T YOU UNDERSTAND?

Statement	Reason
I can finish a State Sprint in 20 minutes	19.54 minutes at last practice
I can get a perfect score on all Target Rounds	Perfect scores on 10/15; 11/8; 12/18 and at the Jenks Competition
I am faster than you at Countdown Round	I got 15 correct, you got 4
